

## **Invoke and Ecovis celebrate 1 year of strategic partnership**

**Invoke are thrilled to have recently celebrated the first anniversary of our strategic partnership with ECOVIS Malta, allowing Maltese clients to benefit from Invoke's cutting-edge financial reporting software alongside ECOVIS' auditing and consulting expertise.**

ECOVIS International is a multidisciplinary, global network of renowned auditing, consulting and accounting firms which offers clients the unique approach of personalised advice at a local level together with world-class sector knowledge and expertise.

Present in more than 80 countries worldwide and with more than 9,000 people collaborating, ECOVIS has a significant presence which lets them provide their customised solutions and services to a geographically-diverse client base.

Invoke is thrilled to have recently celebrated one year of partnership with ECOVIS Malta, in a strategic move which has extended both firms' capabilities and allowed more clients to benefit from Invoke's cutting-edge financial reporting software alongside ECOVIS Malta's consulting expertise.

Partnering to provide services specifically to the Maltese market, ECOVIS Malta and Invoke are helping clients to succeed in an increasingly complex regulatory environment. Together, they offer a range of services spanning contractual audits, tax assistance, accountancy, financial reporting and more, leveraging the best digital tools and technology to deliver the required results.

*"Further to a change in regulatory requirements, ECOVIS Malta chose Invoke as a software partner in the field. We wanted to make sure that we provide the best possible service to our clients, and our partnership with Invoke assisted us in doing so. Invoke's thorough experience in the field was one of the factors which made us choose Invoke. We look forward to a long term cooperation with Invoke."* Says Joseph Debono, CPA Director of ECOVIS Malta.

*"Invoke and ECOVIS Malta have formed a dynamic partnership which is already showing great rewards for our Maltese clients. Through joining forces, Invoke and ECOVIS Malta have elevated our respective offerings and can bring added value to clients in a range of areas. I look forward to seeing what the next 12 months bring",* says Olivier Cornet, Director of Invoke Software Limited.

### **About ECOVIS Malta**

ECOVIS Malta is a member of the ECOVIS International network, specializing in consulting, auditing and accounting. Since 2003, the firm has been assisting international and institutional groups, ambitious SMEs and mid-caps, innovative start-ups and associations.

ECOVIS Malta is committed to using and testing the best digital tools on the market to support clients efficiently in achieving their goals, and to provide collaborative solutions that meet expectations.

As a group, ECOVIS strives to maintain proximity between teams and clients, facilitating synergies and the resolution of problems.

### **About Invoke**

Established in 2001, Invoke publishes software packages for the processing of financial, tax and regulatory information. Invoke is a leading player in the field of tax management for large and mid-sized companies, and has also established itself as a leader in RegTech and SupTech in Europe due to its innovative solutions for regulatory reporting and financial supervision.

Their cutting-edge expertise, particularly in XBRL and inline XBRL technologies, makes Invoke a preferred partner for national and supranational supervisory authorities, as well as for banks, insurers and company groups required to comply with national and European regulatory requirements, including CRD V, Solvency II and ESEF. Invoke currently supports 1,800 customers in 34 countries.
